Tricia Fuglestad NBCT, K-5 art teacher from Illinois, has a MATL in K-12 tech integration. She has successfully blended digital and physical art making with her transdigital lessons to expand the curriculum, give students an opportunity to explore new media, and find transformative ways for students to demonstrate learning dynamically. Tricia's classroom is featured in educational publications and higher education textbooks. Her students' Fugle flicks, student-created, art-related videos have screened at international film festivals and won national awards. She has been recognized with many state and national awards for her innovation and dedication to art education by NAEA, IAEA, Golden Apple, PBS, Artsonia, and ISTE. linktr.ee/fuglefun • fuglefun@gmail.com
